General entry requirement for studies at the first cycle with the exception of Swedish 1, 2, 3 and English 6 or the equivalent and
Specific entry requirement
-

Selection
Selection to the programme takes place through tests among qualified applicants. The selection test consists of several parts and takes place in several steps in front of a jury. Information about the selection test is to be found at the Uniart’s website.

Language of Instruction
The language of instruction is English.

Aim
The aim of The Bachelor Programme in Circus is to educate circus artists who are active within circus in different environments and contexts of performance or for further studies on second cycle level.

Programme Structure
The Bachelor Programme in Circus consists of three years full time studies at first cycle level. The starting points for the Bachelor’s Programme in Circus are skills in circus disciplines, artistic traditions and artistic innovations so that the student can develop his/her personal artistic language. The Bachelor Programme in Circus also prepares for studies at second cycle level.
Specialisations

Progression requirements

To start the second year of the programme, the student must have at least 45 credits from the first year. To start the third year of the programme, the student must have at least 105 credits from the first two years.

In addition to the above mentioned general entry requirements specific entry requirements can apply to admission to a course. These are stated in the course syllabus.
